

(Hammer)  
Can't Huff This  
(unfinished)  
Tiffany, Amrith, Ian  
To the tune of "U Can't Touch This"

U can't Huff this (x2)  
U can't Code this (oh-oh oh oh oh-oh-oh) (x2)  
My-my-my-my assignment, it is so hard, makes me say oh my Lord  
Oh no I just can't see what I need to do for my A-P-Ts  
Sorting works when you know compare-To  
But since I don't then I guess I'm screwed

And I know, it's much  
And a private int You just can't huff

I told you homeboy u can't Code this  
Yeah that's how we're codin' and you know, u can't Huff this

Look in my eyes man u can't Huff this

You know let me bust the funky lyrics u can't touch this

Fresh new BSTs  
You've never seen so much incest in your APTS  
So move out of your seat  
Aunts and uncles are due next week

Compilin' will give you a fit  
You'll have to write it out bit by bit

Anagrams and Jotto they are so phat  
How can I hold my own self back?
