WHAT MAKES A COMEDY?
What are some movies or tv shows you consider to be comedies?
What elements make these funny?
There once was a loving family . . .
The entire family (and servants) went on a boating vacation through the Greek Isles.

And then . . .
Dear ... the waves sure seem rough.
As the story continues . . .

Everyone ends up in the same city and a comedy of errors ensues -- people become jealous and angry -- wives mistake the wrong men as their husbands, jail is involved. . . .

But . . .
Everyone lives happily ever after!

How can this be?

You’ll tell the tale using Alice
Redesign or develop at least one scene to include characters, dialogue and movement.

Use the following skills:
- Start a new world
- Insert character (s)
- Move at least one character
- Add dialogue to tell your story
