Essential Question (?)
How can I use Alice to communicate & practice something I have learned in a core class? (Lesson 2 of 3)

Teacher J. Vogely

Goal/ Essential Standard

Objective

Starter
Share the questions in the discussion.

Learning Target: “I Can”
I can create a world with at least 2 objects, motion and dialog.

Instructional Strategies

Walk students through building of a world with a billboard (SMSoar), falcon-like object, and person.

Exit Slip
Printed copy of code created during class and screen snip of world.

Homework
Description of objects and dialog for individual project. Post in discussion.
