| **ACCELERATION STRATEGIES:** | Behavior  
Listening  
Following Instructions |
| **TEACHING STRATEGIES:** | - The teacher will discuss and remind the students of the steps needed when following instructions and listening  
- Teacher will then give the students paper and pencil and ask the students what was good and/or bad about the Alice video as it pertained to the students listening and . in the video  
- The teacher will then have an open discussion where the students can share what they saw **the good and the bad.**  
- The teacher will then role play with the students on the listening and following instruction skills. This will give the students the opportunity to correct the things that they saw wrong in the Alice Virtual World. |
| **SUMMARIZING STRATEGIES:** | After the role play students will complete a 3-2-1
